Subject: Meconium Support

Hi Lynn and David,

Charlie will be coming to Helena/Butte tomorrow and going to a Butte Board of Health Meeting Wed. morning at 7am. I don't know all the details yet but he will be on the agenda to talk about EPA's review of the preliminary meconium study from Hailer (Hailer will also be there). I believe we may need some support from you and Charlie will be reaching out later today. Sorry for the short notice but we don't want this to go down the wrong path.

Thanks,

Nikia Greene
